CASE NO. 90-0728

JUDGMENT ENTRY

CHANGE OF PLEA AND

SENTENCE

HELEN J. GAROFALO
CLERK OF COURTS
STARK COUNTY OHIO
91 FEB 11 PM 1:58

This day, February 4, 1991, the defendant, SCOTT A. DIETZ, came in the custody of the Sheriff, and accompanied by his counsel, Mitchell Machan, Esq., and the defendant having heretofore entered a plea of not guilty of the crimes of Rape, 1 Ct. (R.C. 2907.02) and Gross Sexual Imposition, 1 Ct. (R.C. 2907.05) as charged in Counts One and Two of the Indictment, informed the Court that he had consulted with his attorney and that his attorney had fully informed him as to the nature of the charges and the elements constituting the crimes under the statutes pertaining to them including the penalties and the right to a trial by jury and that the defendant desired to withdraw his former plea of not guilty.

Whereupon the Court having granted leave, the defendant withdrew his plea of not guilty and thereupon the Court inquired of the defendant as to whether or not he desired further to plead, to which inquiry the defendant replied that he is guilty of the crimes of Rape, 1 Ct. (R.C. 2907.02) and Gross Sexual Imposition, 1 Ct. (R.C. 2907.05) as charged in Counts One and Two of the Indictment, which said plea was accepted by the Court. Thereupon the Prosecuting Attorney moved that sentence be pronounced against said defendant.

MICRO

Whereupon the Court was duly informed in the premises on the part of the State of Ohio, by the Prosecuting Attorney, and on the part of the defendant, by the defendant and his counsel, and thereafter the Court asked the defendant whether he had anything to say as to why judgment should not be pronounced against him, and the defendant, after consulting with his counsel, said that he had nothing further to say except that which he had already said, and showing no good and sufficient reason why sentence should not be pronounced, the Court thereupon pronounced sentence.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the defendant be committed to the Orient Correctional Institution in Orient, Ohio, for an indeterminate term of not less than five (5) nor more than twenty-five (25) years, or until otherwise pardoned, paroled or released according to law, on Rape, 1 Ct. (R.C. 2907.02), and

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the defendant be committed to the Orient Correctional Institution in Orient, Ohio, for a determinate term of one (1) year, or until otherwise pardoned, paroled or released according to law, on Gross Sexual Imposition, 1 Ct. (R.C. 2907.05), and

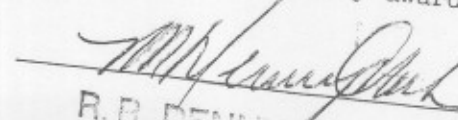

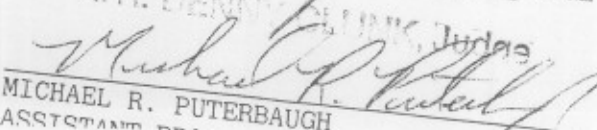

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the defendant shall serve these sentences concurrently, and

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the defendant shall receive credit for time served, and

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the defendant pay the costs of this prosecution for which execution is hereby awarded.

A copy of the foregoing Response to Request for Discovery was served personally, to Attorney Mitchell Machan, on this 8th day of January, 1991.

MICHAEL PUTERBAUGH
ASSISTANT PROSECUTING ATTORNEY

2. Dietz confessed to performing oral sex on his daughter April over a dozen times since 1987, and forcing her to perform on him until he ejaculated in her mouth.

Dietz further confessed to fondling and digitally penetrating his other daughter Cori.

In talking with Mr. Dietz, he readily confessed to the allegations as being truthful and that he had a problem. He advised that he would like this problem taken care of. He stated that when he was 15 years of age, his five year old sister was asleep downstairs. They had been watching television and he stated that he began to fondle her and play with her. Scott stated that it went on for a couple of years and after his sister finally told her mother and father about it. His dad beat him up and advised him never to do anything like that again.

Scott stated that he looked at pornography at a friend's house when he was little and he used to peep on his best friend's sisters who were older and more developed. He also added that during his growing up. When he was 17-18-19 years of age, he was sleeping with his cousin who were 13 and 14 years of age. He advised that he had never done anything like that with any other girl other than April and Cori.

Scott advised that he met his wife when he was 21 years of age and that he was in the United States Army. There was about a four or five year period where he didn't do anything at all and was just, in his words, a normal individual that just had normal desires and did a lot of masturbation. However, he never raped anyone and never did any exposing of himself or obscene phone calls although he did state that he was into masturbation a lot and like to fantasize about being with women. He states that he didn't feel anything bad about sleeping with his cousins and having sex with them when he was younger. However, he was an adult during some of this time. He advised that this is probably when the problem developed.

Scott added that he does not recall ever being abused when he was younger but he doesn't discount the possibility of it having happened. He just stated that the first sexual encounter or experience he can recall was when he was 15 years of age and did this to his younger sister who was 5 years old at the time.

He states that he has to find an outlet in order to release this.

Scott stated that this began from what he can recall. In 1987 and that it happened at the different addresses that they lived in Perry Township, the City of Massillon and now in Jackson Township. He states that from what he can really remember, he has done this twice in 1990 with April and stated that he has only done it a couple of times with Cori and that he has not done this with her this year.

HISTORY OF INCIDENT (Brief summary of how, when, and from whom injuries received) if patient, caretaker, or other informants (social service, police) give different histories, document what is said by each. Quote where possible.

This 6 yo. white female, named April Diety, presents to the CARE Center for evaluation of alleged sexual abuse, along with a 4 yo sibling named Cori.

April was interviewed alone, and she was asked about the concept of "bad touches." She stated that these included her "butt, crotch, and mouth," when asked if anyone had ever touched her there, she replied "Just my Dad." She further stated "He put his crotch in my mouth and my butt... sometimes I had my clothes on, and off... It happened in his room or mine, while mom was sleeping... I couldn't tell, 'cause my Dad said I would get a tickle." When asked if anything came out of Dad's crotch, April said "slimy stuff, like snot. He put slimy stuff in my mouth, but I spit it out." When asked if it hurt, she nodded "yes."

April was also asked about her sister Cori, and she said, "I was in the shower, and Daddy was in the bathroom too. Daddy put his crotch in Cori's crotch and butt."

According to mom, Dad has admitted oral contact and digital penetration of April, and is in therapy at present. Dad made report to CSB himself.

According to mom, last contact was probably several months ago, according to mom, & Dad is out of the home at present.

IMPRESSION:

In my opinion, the medical findings are:

April gives a straight-forward, graphic description of sexual contact with her father, especially oral sex, and her exam is consistent with her story. I was unable to elicit a history of digital penetration from April; however, father has admitted this and the right hymenal dilatation is consistent with this.

SCOTT A. DIETZ

231-664

Ma'am,

Please consider me for super shock probation. I've been trying to seek help but this institution doesn't have a sex offenders program and they won't send me to another institution because there's all full.

I want to better myself. I've took there stress management program. I have a excellent work record and I've been involved in the Red Cross and religious programs. I signed up for there parenting program.

These are nice programs. I do receive good knowledge. just like an alcoholic needs AA and a drug user needs NA.

Me, a sex offender needs a sex offenders program.

This place doesn't have any to offer. Please your Honor, it's in your power to put me into Phil ~~Hogarty~~ Hogarty's program.

I won't let you down. There's a lot of work that has to be done. Can I please start with Phil? He's already excepted me into his program. Please?

P.S. Thank you for taking time out

Sincerely,
Scott Dietz
